BRIEF JOB DESCRIPTION: Chef- Cafe Bistro- South Shore Plaza

JOB REQUIREMENTS/CERTIFICATIONS:

Complete a comprehensive Manager in Training program that covers all the ins and outs of running a successful kitchen

Lead the kitchen crew in scratch cooking our tried and true recipes, while also preparing weekly specials

Train, motivate and develop the kitchen staff while also focusing on the business goals of process improvements, growth, efficiency, profitability and compliance with company procedures

Make sure the kitchen sparkles and is always ready to pass the white glove test

You own this if you have...

Been there and done that for 2+ years in full service, upscale restaurant management

Passion and knowledge about; quality food; and exceptional customer service

Solid written and verbal communications skills, as well as basic accounting skills

Thrived in a fast-paced environment and embraced working a flexible schedule

A food handler's card where required by local and state regulations
